### Description

Mercedes Benz  
**12.5 BATTERY MODULE MBEH-BA-150 WALL** 12.5 Battery Module for wall mounting only used in Germany, Austria and Switzerland! - Usable total energy content: 11.5 kWh  
- Usable energy content: 2.3 kWh  
- Operating voltage range: 50.7 V to 54 V  
- Continuous power battery: 4.6 kW  
- System efficiency: 97% round-cycle  
- Cell Technology: Lithium ion (nickel, manganese, cobalt)  
- Warranty: 10 years time compensation guarantee  
- Protection: IP20  
- Ambient temperature: + 6 °C to + 44 °C  
- Compatible inverter: SMA Sunny Island 3.0 M / M 4.4 / 6.0 H / H 8.0  
- Expected number of cycles: 8000 cycles at approved test conditions (80% DoD / 0.5 C)  
- RJ45 terminator is included in the delivery **Set includes:**  
- 5x 25036 (2.5 battery module)  
- 2x 25037 (cover)  
- 2x 25039 (bottom)  
- 1x 25045 (pair of rails for wall mounting by 4 battery modules)  
- 2x 25034 (Cable set for connection with Sunny Island)
