### Description

Mercedes Benz 17.5

**BATTERY MODULE MBEH-BA-150 WALL** 17.5 Battery Module for wall mounting only used in Germany, Austria and Switzerland

- Usable total energy content: 15.6 kWh
- Usable energy content: 2.3 kWh
- Operating voltage range: 30.7 V to 54 V
- Continuous power battery: 4.8 kW
- System efficiency: 97% round-cycle
- Cell Technology: Lithium ion (nickel, manganese, cobalt)
- Warranty: 10 years time compensation guarantee
- Protection: IP20
- Ambient temperature: + 6 °C to + 44 °C
- Compatible inverter: SMA Sunny Iceland 3.0 M / M 4.4 / 6.0 H / H 8.0
- Expected number of cycles: 8000 cycles at approved test conditions (90% DoD / 0.5 C)

**Set includes:**

- 1x RJ45 terminator is included in the delivery
- 2x 25039 (2.3 battery module)
- 2x 25037 (cover)
- 2x 25039 (bottom)
- 1x 25045 (pair of rails for wall mounting by 4 battery modules)
- 1x 25044 (pair of rails for wall mounting of 3 battery modules)
- 2x 25234 (Cable set for connection with Sunny Iceland)
